Track Your Reading Club Activities

Profile

You can change your avatar by selecting the image and selecting from the available avatars. There is a list of themes which will change the look of your reading club account. Goals can be set and adjusted throughout the reading club. Select 'Update' to save the changes made to your profile.

Track Activities

Enter a book title (optional), the number of activities and the date range associated with the activities. Select 'Log Activity' to submit those activities to your profile.

Past Activity Log

Past activity will be accessible in the log to easily keep track of past activities that have been logged.
